  [www.sailmacmarine.com](http://www.sailmacmarine.com)

Sailmac Marine Pte.Ltd is marine & Industrial technical support and Service provider based in Singapore, branch offices in India, Sri Lanka & UAE.

In Sailmac Marine we have a well experienced team of marine and industrial Engineers. We are involved in the service, supply, repair, maintenance of a variety of Automation, Instrumentation, electrical , Hydraulic and Pneumatic Systems.

We also offer a wide range of services to the Marine, oil & gas, and onshore/offshore industries including hull and pipe line repairs, servicing of engines and other machinery, fabrication work etc. Our aim is to provide an excellent service to our customers by way of supplying quality products and services and maintaining a disciplined and well trained multi-national workforce.

## SERVICES

We can carry out the following technical services

### SHIP REPAIRS

- Hull repairs and steel renewals
- Pipe line Fabrication, repairs and renewals
- Main Engine and Auxilliary
- Engine Overhauling and repair services
- Under water Services
- LSA & FFA Service
- Boiler Repairing and re tubing
- Crew Elevator Inspection and Services
- Air Condition & Refrigeration System Repair
- Ship Name & Logo Changing
- MAN Power Supply

### ELECTRICAL REPAIRING

We are able to perform and carry out complete solution for all your Marine Electrical Instrumentation needs. Please see below some of the control systems we service and repair.

- Engine room Alarm monitoring system
- Electrical trouble shooting Engine Room & Deck side Automatic Synchronization and load sharing of generators
- Modification of AVR
- Electrical and Electronic Control System
- Cable laying . Installation of trays & Junction box Installation
- Electrical Maintenance and Reconditioning and Overhauling works of all electrical equipments and power generation system

### AUTOMATION & CALIBRATION SERVICES

We are able to perform and carry out complete solution for all your Marine calibration automation & Instrumentation needs. Please see below some of the control systems we service and repair.

- All Types of Gas Detection Systems
- Gas Analyzers / Toxic Gas Monitoring systems
- Oil Discharge Monitoring & Control Systems (ODME)
- 15ppm Bilge Alarm Monitors & Oily Water Separators
- Draught & Ballast level monitoring systems
- Vapour Emission Control Systems
- Process Control loops / systems ( Pneumatic & Electronic )
- Tank Level Gauging Systems
- Cargo tank & Cargo Pumps Temperature Monitoring Systems
- Alarm Monitoring & Safety Trip System
- Inert Gas Systems
- Fire and Smoke detection Systems
- Oil Mist Detection Systems for Engine crankcase & Atmospheric
- Manifold Pressure Monitoring Systems
- Main Engine & auxilliary Engine Safety Devices
- Load sharing of Generators
- Boiler control systems
- UTI (Hermetic, Tanktech & MMC)
- Pressure & Temperature Calibrators and Gauges

## PRODUCTS WE CAN INVOLVE SUPPLY/SERVICE

We have a large network of ship supplier and Chandlers and with our volume of trade the economies of scale work to our benefit which we on pass to our clients. We support our clients with one stop solution for the procurement solution and we can support in following areas.

### OIL MIST DETECTION FOR ENGINE CRANKCASE

- SCHALLER , GRAVINER, KIDDE

### GAS DETECTION

- RIEN KEIKI, HONEYWELL, CROWCON, GMI, MSA

### UTI METER

- HERMETIC, TANKTECH, MMC

### 15PPM MONITOR

- DECKMA, RIVERTRACE, JOWA , BRANSTROM (BILGMOON)

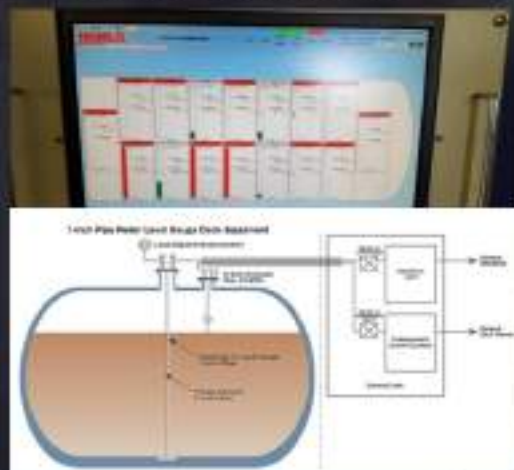

### OIL DISCHARGE MONITORING SYSTEM

- VAF-INSTRUMENTS, SERES, JOWA

### TANK LEVEL MONITORING SYSTEM

- HONEYWELL ENRAF, TANKSYSTEMS, MUSASINO, NAKAKITA

## FIRE ALARM SYSTEM

- TYCO, CONSILIUM, DECKMA

## ELECTRICAL HIGH PRESSURE WATER BLASTERS

- DEN JET, DEN SIN

## DIGITAL METERS - LIGHT STAR

## DECK AIR COMPRESSOR & BA COMPRESSOR

## ENGINE ROOM EQUIPMENT

## MARINE VALVES

- KEYSTONE, ACE, TOMOE

## In addition above we can supply spare parts for below systems

- 🏠 PURIFIER Alfa - Laval, Mitsubishi
- 🏠 PUMP- IHI, Taiko, Heishin, Kosaka, Shinko, Naniwa, Miura
- 🏠 Diesel Engine Spares-Yanmar,Man B&W, Volvo-Penta
- 🏠 Valves - Nakakita, Keystone, Tomoe
- 🏠 Remote Control System-Nabtesco
- 🏠 Electrical spares - Electrical motors, Solenoid valves, pressure switches, batteries, transformers, relays, timer, positioner
- 🏠 Boiler & Inert Gas System - Kangrim, Alfa Laval
- 🏠 Air Compressor-Atlas Copco, Tanabe, Daikin, Hamworthy, Sperre, Yanmar, Sabroe
- 🏠 Fire fighting equipment-Dragger,Scott, Viking ,MSA

## BRANDS WE DEAL WITH

**Honeywell**

**GASTEC**

**Dräger**

**CROWCON**

**AMETEK**
